# ABOUT US

---

I'm Raj Sachdeva, founder of Impression Studio with over 32 years of experience. Based in Delhi, I've had the privilege of capturing 5,000+ weddings across the globe.

At Impression Studio, we specialize in timeless storytelling—turning real moments into lasting memories. Whether your celebration is local or global, we're here to beautifully document your love story with passion, care, and creativity.

My journey into photography began alongside my father, who was capturing moments with his camera as early as 1965.

In 1993, I officially launched my own path as a professional wedding photographer. The road hasn't always been easy—it's been filled with challenges, learning experiences, and growth. But every step has brought me to where I am today, as the proud proprietor of Impression Studio. And I can honestly say, there's no greater feeling than doing what I love capturing love stories that last a lifetime.

# F.A.Q.

---

**Q: How far in advance should we book you?**

**A: We recommend booking as early as possible—ideally when you done all your venue, to secure your date. Popular wedding seasons tend to fill up quickly.**

**Q: How do we reserve our wedding date?**

**A: A 25% deposit is required in order to get your wedding on the calendar. 50% of total amount is due two weeks prior to your initial function. 20% of total amount is required after sharing all soft images through links on web galler.**

**Remaining 5% need to be cleared before full edited videos delivery.**

**Q: What equipment do you use?**

**A: We use all of the latest professional equipment. We always carry the best prime lenses among other required gadgets.**

**Q: Do you photograph destination weddings?**

**A: Yes! We've shot dozens of destination weddings and are more than happy to create memories for our happy clients.**

**As accommodation and all time food provided by clients Travel charges apply based on the location.**

**Q: Can we customize our wedding photography package?**

**A: Absolutely. We understand every wedding is unique, so we're happy to tailor our packages to fit your specific needs and vision.**

**Q: Will you be the one photographing our wedding?**

**A: While I personally oversee every project, may not be present at every event myself, but our trusted team of skilled professionals at Impression Studio will handle the photography with the same passion and excellence that our studio is known for.**
